Choose 1 of the following prompts to respond to and then delete the prompt(s) that you did not choose.

Prompt option 3: *What are your main takeaways from this first half of your internship and how do you plan to carry those lessons into your second week?*

From the first half of my internship, I learned that it's important to communicate well with my team, manage my time, and ask for feedback. Talking with my teammates helps me understand what to do. Managing my time helps me finish work on time. Getting feedback helps me improve. In my second week, I will keep talking with my team, plan my tasks each day, and ask for feedback often. I also want to share my ideas more in meetings. This will help me learn and do better during my internship.
